The probable cause is as follows:

On 5/24/2026, while working as a uniformed patrol officer for MNPD, I was dispatched to St. Thomas Midtown hospital located at 2000 Church St in Davidson County for a report of a disorderly person who punched a hole in a wall inside the Emergency Room. Upon arrival, I spoke to multiple witnesses who stated that the defendant yelled at staff, and punched a hole in the wall inside of the Emergency Room in a violent and threatening manner. The witnesses showed me the wall, that had damage consistent with being punched. The witnesses showed me security camera video that recorded the incident, and I observed the defendant yelling at medical staff and hospital security, and punch a hole in the wall in a violent and threatening manner. The witnesses stated that after the defendant punched a hole in the wall, they placed him in handcuffs to prevent further incident. I spoke to the defendant, who denied punching a hole in the wall. While speaking to the defendant, the defendant mocked hospital staff as well as myself and other officers with profanity. The defendant spoke with slurred speech, and was unsteady on his feet, and I could detect an odor of alcohol coming from the defendant.Due to the likelihood of the offense to continue, the defendant did not qualify for a state citation, and the defendant was taken into custody and transported to Davidson County Detention Center without incident.
