Personally appeared before me, the undersigned, **[Select one]** ☒ Commissioner ☐ Metropolitan General Sessions Judge, the prosecutor named above and made oath in due form of law that **[Select one]** ☒ he ☐ she **[Select one]** ☐ personally observed ☒ has probable cause to believe that the defendant named above on 07/28/2026 in Davidson County, *did unlawfully commit a theft of a motor vehicle.*

and that *the probable cause is as follows:*

On 7/28/2026, officers were dispatched to a domestic related motor vehicle theft report call for service. The victim advised officers that her and the defendant had gotten into a verbal altercation after he picked her up from school. According to the victim, she allows the defendant to use her vehicle in order to take care of their child while she is at school. Besides being allowed to use the car for child care purposes, the defendant does not use the vehicle according to the victim. After the defendant dropped the victim and their child off at her residence on Ocala Dr, the defendant left the location in the victim's car. The victim told the defendant to return the vehicle and he did not. The victim showed officers a text message to the defendant asking if he would return the vehicle. The defendant asked why he would return the vehicle when she owes him money. The victim advised officers she does not owe the defendant any money and that the defendant's father is the person she owes money to since he helped her get the car. The victim also showed officers a message that was time stamped at 1530hrs asking if the defendant was going to give her the car back. The defendant ignored the question and just asked where their daughter was. Due to the defendant knowing that the victim wanted her car back and still not returning it, officers have found probable cause that the defendant has committed a theft of vehicle.
