39-13-102

Personally appeared before me, the undersigned, **X** Commissioner, the prosecutor named above and made oath in due form of law that **X** he **X** has probable cause to believe that the defendant named above on 12/03/2025 in Davidson County, ***did unlawfully strangle the victim multiple times, causing her to briefly lose consciousness and have difficulty breathing.***

and that ***the probable cause is as follows:***

On 12/03/2025 around 0430 hours officers were dispatched to 400 E Nocturne Drive apartment F51. The call initially went out as a fight in progress but was later determined to be a domestic disturbance. The victim, Ms. Shantel Lacy, and the defendant, Mr. Samuel Lee, have previously been in a dating relationship. While I was on the way to the call dispatch advised Mr. Lee had already left the scene. Upon arrival I made contact with Ms. Lacy inside of her apartment. **I immediately observed blood on her lips and her having blood inside her mouth. I also noticed her eyes were watery. I also observed scratch marks on the left side of her neck. She also had a scratch on her right wrist area.** Ms. Lacy stated that Mr. Lee had come over to her apartment around 0100 hours. She stated the two of them were just hanging out and having a couple of drinks. Ms. Lacy stated they were sitting on the couch when Mr. Lee made it known that he wanted to have sex with her. Ms. Lacy stated she did not want to have sex with Mr. Lee. **Ms. Lacy stated that Mr. Lee got angry and made the statement, "I'll take your vagina" and then punched her in the face. Ms. Lacy stated that Mr. Lee then began strangling her with both hands, making it difficult for her to breathe. Ms. Lacy stated she began throwing punches at Mr. Lee to defend herself. She stated Mr. Lee briefly stopped choking her but then grabbed her neck again and began choking her a second time. Ms. Lacy stated that while she was being choked Mr. Lee stated "I'm going to f*** you up." Ms. Lacy stated this time she lost consciousness and blacked out. She stated she was not sure how long she blacked out for. She stated she started to become alert again and began kicking Mr. Lee to get him off of her.** At some point during the altercation, Ms. Lacy stated that Mr. Lee poured alcohol on her pants. I observed wet marks on the ground next to the couch next to where Ms. Lacy alleged she was strangled, however, her pants were now dry. Ms. Lacy stated she got to the phone and began calling police. She stated Mr. Lee asked who she was calling, but she did not tell him. Ms. Lacy stated that this is when Mr. Lee left the apartment. Due to the evidence of visible injuries to Ms. Lacy, and the evidence at the scene of the floor being wet, I determined Mr. Lee was the primary aggressor in the incident. Ms. Lacy was able to provide some of Mr. Lee's identifying information. I queried the information and obtained a photograph of Mr. Lee. Ms. Lacy was shown Mr. Lee's TN driver's license photo and she identified him as the defendant. **Mr. Lee's criminal history shows he has two prior convictions for domestic assault in Davidson County.**
