Personally appeared before me, the undersigned, [Select one] ☒ X Commissioner ☐ Metropolitan General Sessions Judge, the prosecutor named above and made oath in due form of law that [Select one] ☒ X he ☐ she [Select one] ☐ personally observed ☒ X has probable cause to believe that the defendant named above on 04/10/2026 in Davidson County, *did unlawfully* [Vandalism]

and that *the probable cause is as follows*: On December 3, 2025, officers responded to 1040 N Dupont Ave., Apartment 914, regarding a property dispute. Officers made contact with the victim, who stated that the suspect, later identified as the Defendant, is a friend. The victim reported that on the previous night the Defendant became extremely intoxicated while they were at a friend's residence. He stated that he transported the Defendant back to her apartment at the listed address and later left the location, inadvertently leaving approximately fifteen vinyl records inside the apartment. The victim returned the following day to retrieve his property and requested police assistance. While walking toward the apartment, officers observed empty vinyl record sleeves on the ground outside without the records inside them. Officers attempted to make contact with the Defendant at the apartment. The Defendant yelled from inside that she had thrown the records away. Officers advised Woods that failing to return the victim's property could result in theft charges due to her intent to deprive the victim of his property. Woods responded, "Go get a warrant." While officers were speaking with the victim near his truck, officers heard an object being forcefully thrown onto the ground near the Defendant's apartment. Officers returned to the apartment and observed a pile of vinyl records on the ground outside. The records were returned to the victim, who stated that approximately several records had been destroyed and two records were still missing. The victim advised that each record was valued at approximately \$400 and stated he wished to prosecute. Based on the victim's statements, Woods' admission that she threw the records away, and officers observing the damaged records outside the apartment after hearing items being thrown, there is probable cause to believe that Kimberly Woods knowingly exercised control over the victim's property without consent and with the intent to deprive the owner of the property.
