*The probable cause is as follows:*

On 08/13/2026, officers conducted a traffic stop on a 2018 gray Kia Optima. Officers asked the passengers for identification. When officers asked the defendant if he had a driver's license or identification on his person, the defendant denied having either item. During an inventory search of the vehicle, officers located the defendant's driver's license on the front passenger side of the vehicle. **Officers also located a firearm with its serial number scratched off inside the center console of the vehicle.** Officers ran the defendant's information through the police system, which notified them that the defendant had one outstanding warrant in Davidson County. Officers verified the warrant through the Warrant Division, which confirmed that the warrant was active. During a search incident to the defendant's custodial arrest, officers located a crack pipe, a pill bottle containing pills, and a small baggie containing a white, powdery substance consistent with cocaine. Officers advised the defendant of his Miranda rights and asked him about the weapon and drugs. **The defendant stated that he was not aware the weapon was in the vehicle, claiming it belonged to the driver.** The defendant also confirmed that the drugs found on his person were cocaine and that the pills were Suboxone.
