PROSECUTOR: Emerson Garfield

DEFENDANT: Shelly L Harrison

VICTIM:

STATE OF TENNESSEE, COUNTY OF DAVIDSON

AFFIDAVIT

Civil Process Service - Obstruction/Prevention

39-16-602(c)

Personally appeared before me, the undersigned, **[Select one]** _x__ Commissioner, ___ Metropolitan General Sessions Judge , the prosecutor named above and made oath in due form of law that **[Select one]** ___ he _x__ she **[Select one]** _x__ personally observed __x_ has probable cause to believe that the defendant named above on 08/28/2026, in Davidson County, did intentionally prevent or obstruct an officer of the state or any other person known to be a civil process server in serving, or attempting to serve or execute, any legal writ or process.

The probable cause is as follows:

On Friday, August 28, 2026, at approximately 1434 hours, I was conducting a traffic stop on Briley Parkway and Kenton Place when a red sedan pulled up behind my patrol Unit..I approached the vehicle from the passenger side and asked the driver why she had pulled up behind my traffic stop. The driver immediately began yelling while recording with her phone and demanding my name and badge number. I provided the driver with my agency, name, and badge number and informed her that she needed to leave.The driver refused to leave and continued shouting. I informed the driver that she was interfering with a traffic stop and that she must leave. The driver ignored all commands and would not answer any questions from me.I asked the driver to exit the vehicle. She initially protested but then exited the vehicle. I met her at the driver's side. The driver was frantic and moving around. I physically restrained her to prevent her from entering the roadway and from injuring herself or me.I had the driver walk to the rear of my patrol unit. She resisted but eventually moved forward. I had her stand with her back to my patrol unit and informed her that she was interfering with a traffic stop and failing to obey lawful orders, and that she needed to leave.The driver continued to shout. I informed the driver that she had one opportunity to return to her vehicle and leave or she would be detained. The driver began walking back toward her vehicle as if she intended to leave, but then walked past the vehicle and began yelling and recording from the grass next to her car.I approached the driver again and told her to get into the vehicle and leave. The driver refused. I then detained the driver, placed her in handcuffs, and seated her in the back of my patrol vehicle.At 1449 hours, I placed the driver under arrest for T.C.A. § 39-16-612, Offense for Approaching Law Enforcement Officers Against Orders During Official Duties. The driver was then identified as Shelly Harrison.Based on the following observations, I formed the opinion that Harrison was obstructing law enforcement duties:

Shelly Harrison was the driver of the vehicle that stopped behind my patrol vehicle.

Shelly Harrison was told to leave and refused.

Shelly Harrison's vehicle was within 25 feet of my patrol unit during my traffic stop.

Shelly Harrison's actions prevented me from performing my law enforcement duties.
