Personally appeared before me, the undersigned, [Select one] X Commissioner ___ Metropolitan General Sessions Judge, the prosecutor named above and made oath in due form of law that [Select one] X he ___ she [Select one] ___ personally observed X has probable cause to believe that the defendant named above on 05/31/2022 in Davidson County, *did unlawfully Leave the Scene of a Motor Vehicle Accident - Involving Property Damage Estimated Less Than \$1,500*

and that *the probable cause is as follows:*

On 5/31/2022 at approximately 1523, I was dispatched to an alleged hit-and-run motor vehicle collision on I-24E near MM 49/4, involving four motor vehicles, where two drivers (with their vehicles) allegedly left the scene. Upon arrival, I spoke with the two-remaining witnesses (Mr. Smith and Mr. Carbajal-Salazar).

Mr. Smith stated that he was rear-ended by another unknown vehicle (driven by an unknown driver), which caused him to rear-end Mr. Carbajal-Salazar (who was driving a white Honda Accord, TN: BFG8695). He stated that his caused Mr. Carbajal-Salazar to rear-end a white Chrysler 200 (TN: BFX0788), driven by the Defendant. Mr. Smith stated that all four involved-vehicles initially pulled over to the right shoulder. He stated that he spoke with the Defendant, and that the Defendant showed him his driver's license and insurance information (via cell phone picture); however, he stated that the Defendant left the scene prior to the arrival of police. He stated that he asked the Defendant to remain at the scene; however, the Defendant left the scene anyway. Mr. Smith stated that he took pictures of the Defendant's driver's license and the vehicle he had been driving; he showed me these pictures. I observed the TN driver's license was of a "Donald McNeal Granberry III", driver's license number: 136947087. I conducted an ARMS query and verified the license is that of the Defendant. The picture of the vehicle, driven by the Defendant, showed the rear of the vehicle. It was a white Chrysler 200 (TN: BFX0788, registered to the Defendant); it was pulled-over on the right shoulder near the location of Mr. Smith's and Mr. Carbajal-Salazar's vehicles when I arrived. It appeared to have suffered very minor damage to the center-lower chrome trim of the bumper.

I spoke with Mr. Carbajal-Salazar. His statements corroborated Mr. Smith's allegation. I observed that the vehicle Mr. Carbajal-Salazar had been driving at the time of the collision (white Honda Accord, TN: BFG8695) had minor front-end damage. I showed Mr. Carbajal-Salazar the picture of the Defendant's vehicle; he stated that the vehicle was in front of him during the collision.
