and that *the probable cause is as follows*:

On 11/24/2025 at approximately 1530 hours I was dispatched to 1612 16th Ave N Unit D Nashville Tn, 37208 for a theft of property report. I made contact with the Victim (George Haynie) who stated his 2008 Volvo XC90 was missing, I verified the Victim as the registered owner by running the VIN through NCIC. He was advised by the Defendant (Alisha Jordan) who is the mother of his child, that she did not know where the vehicle was, the Defendant told the Victim his Volvo was gone when she got home. The Victim contacted the lien holder Madison Title Loans who advised that his Volvo was not repossessed but was taken by a cash for junk car business. At this point, I began contacting the various parties involved in the towing of the Victim's Volvo. I was advised by the Witness that he was contacted by the Defendant on the night of 09/19/2025 that she wanted to sell the Volvo in question to him.

According to the Witness, he worked for a Cash for Junk company that would buy used vehicles, he was told by the Defendant that she was being evicted and needed to have the white Volvo XC90 (Vin-YV4CN982581466891) removed from the driveway. The Witness stated in order to buy the Volvo, he required her license, proof of residency, and registration for the Volvo since she did not have the Title in hand. The Witness sent officers a picture of the bill of sale which had the Defendant's printed name and signature, I was also provided with a picture of the Defendant's TN ID which the Witness required to complete the sale. The Victim stated he was in jail during this time frame, he stated he never gave the Defendant permission to sell his vehicle to another entity. I checked the value of the Victim's Volvo on Kelly blue book, the Value of the Victim's particular model is valued at approximately \$4000.
