

COMPLAINT NUMBER: 2026-0523796

WARRANT NUMBER: GS1125095

PROSECUTOR: Santiago Vallejo Gonzalez

DEFENDANT: Justin M Wright

VICTIM:

STATE OF TENNESSEE, COUNTY OF DAVIDSON

AFFIDAVIT

Drug Paraphernalia- Unlawful Use

39-17-425(a)

Personally appeared before me, the undersigned, [Select one] X Commissioner Metropolitan General Sessions Judge, the prosecutor named above and made oath in due form of law that [Select one] X he she [Select one] personally observed X has probable cause to believe that the defendant named above on 08/29/2026 in Davidson County, did intentionally, knowingly, or recklessly use, or possess with intent to use, drug paraphernalia to plant, propagate, cultivate, grow, harvest, manufacture, compound, convert, produce, process, prepare, test, analyze, pack, repack, store, contain, conceal, inject, ingest, inhale, or otherwise introduce into the human body a controlled substance or controlled substance analogue.

The probable cause is as follows:

On 08/29/2026 at approximately 0449 hours. Officers were patrolling the area of 836 Burnett and spotted a White Ford F150 with a Tennessee dealer tag, 022012D, parked in the park after closing hours. Upon arrival, officers made contact with the defendant. Officers asked him what he was doing in the park past closing hours, and the defendant stated that he had just finished having sexual relations with the passenger. Officers asked the defendant to give his information, and the defendant was fumbling to provide the correct information multiple times. Officers asked him to step out of his vehicle. When the defendant opened the door, **officers spotted two crack pipes with burn residue in the driver's side door.** Officers asked the defendant if there were any other drugs in the vehicle, and he stated that there was a small bag in the center console. Officers located 0.71 grams of methamphetamine in the vehicle's monitor by the center console. Officers were going to see if the defendant would qualify for a state citation and asked for his name again. The defendant stated that his name was "Randle Wright" and his date of birth was "08/12/1968." Officers looked up that information, and he turned out to be a deceased individual. Officers asked for his Social Security number; it was showing "Not On File." Officers placed him in custody since they were unable to identify him. Once in custody, the defendant gave his real name and told officers that he had hidden his ID in the grass. Officers located it, and the defendant was showing an in-county warrant for felony probation (PV2023B672). Based on the two crack pipes with burn residue in plain view, the defendant gave a false name, the methamphetamine in the center console, and the outstanding warrant. Officers had enough probable cause to issue an arrest warrant.
