VICTIM:

STATE OF TENNESSEE, COUNTY OF DAVIDSON

AFFIDAVIT

UNLAWFUL POSSESSION OF A CONTROLLED SUBSTANCE

T.C.A. 39-17-418

Personally appeared before me, the undersigned, [Select one] ___ Commissioner ___ Metropolitan General Sessions Judge, the prosecutor named above and made oath in due form of law that [Select one] ___ he ___ she [Select one] ___ personally observed ___ has probable cause to believe that the defendant named above on 06/10/2026 in Davidson County, knowingly did possess or casually exchange a controlled substance and the controlled substance was not obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of professional practice, and that *the probable cause is as follows*:

On 06/10/2026, while officers were driving down Una Antioch Pike, they observed a white Nissan Altima parked in the intersection. When officers observed the Altima, they observed that it was running with its flashers on and both of the passenger doors were open. Officers drove past the vehicle in order to look into the vehicle and they did not see a driver. When officers pulled up behind the vehicle, they got out of their patrol vehicle and approached the vehicle. Officers observed a female squatting in between the front passenger door and the rear passenger door. The female then stood up, and officers asked them if they needed assistance. The female told officers that they did not need assistance as she closed the back passenger door. When the female walked towards officers, they could immediately tell that she was intoxicated based on her staggered walk, and the odor of alcohol emitting from her person. Officers asked the female where the driver was located, and the female told officers that the driver was over there while pointing a several houses across the street. The female then opened the back driver side door and got into the vehicle. Officers walked to the driver side of the vehicle and observed a male sitting in the passenger seat of the vehicle along with a strong odor of marijuana emitting from inside of the vehicle. Officers asked the male where the driver was located and the male told officers that he was driving the vehicle, but he was "lit" which officers took to mean that the driver was highly intoxicated. The male told officers that he was taking the female home when they pulled over in order for the female to check on him. Officers looked at the female and asked her who was driving the vehicle, and she told officers that she was driving the male home. Officers asked both of them for identification but they female refused multiple times to produce identification. Officers took the males license and ran it through arms, officers also ran the tag on the vehicle, and it came back to the male. Officers discovered that the male did not have a prior dui conviction. When offices approached the vehicle a second time, officers asked the female for her identification, and she produced her name and date of birth. Officers ran it through arms and discovered that she did not have any arrest history. Officers placed both subjects into custody and read them implied consent, which they both refused. Officers mirandized both subjects and they refused to answer any of officer's questions. When officers searched the vehicle, they found 35.4 grams of marijuana, a crushed pill and half a pill. Officers obtained two Search Warrants for both suspect's blood.
